2. Skills and Knowledge

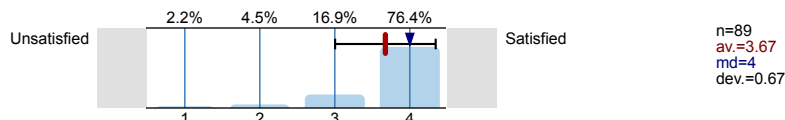

2.1) Communicate effectively orally, in writing, and visually

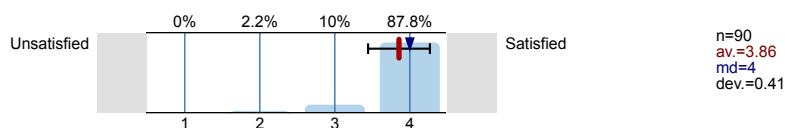

2.2) Develop good problem solving/critical thinking skills

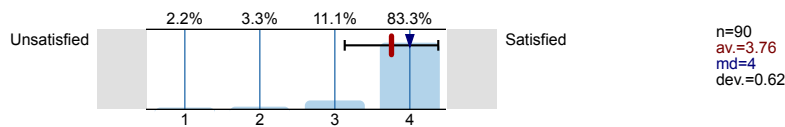

2.3) Contribute to welfare of your community

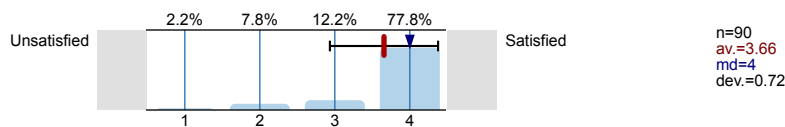

2.4) Looking at the key phrase "accessible" in our mission statement above, how well did NOC live up to its mission?

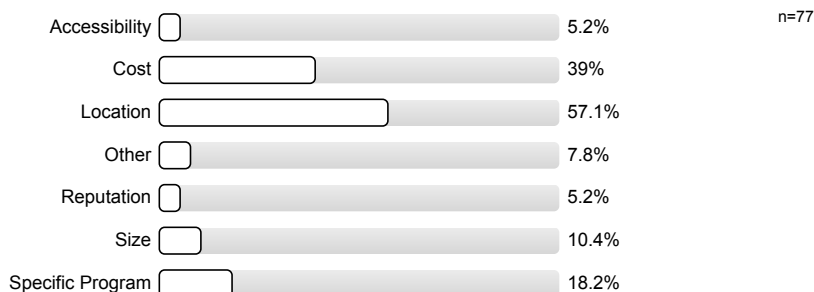

2.5) Looking at the key phrase "affordable" in our mission statement above, how well did NOC live up to its mission?

2.6) Looking at the key phrase "life-changing experiences" in our mission statement above, how well did NOC live up to its mission?

2.7) Why did you choose NOC?

2.7) Why did you choose NOC?

- Affordable and close to home
- Affordable and convenient!
- Affordable and the only college in town.
- Affordable. Small classes, only option in Enid.
- Because I wanted a good basis education before choosing a university, I was unsure of where I wanted to end up then and NOC allowed me to complete my basics and find a major program I love
- Because it is close to home
- Because it was a good choice for colleges with being affordable.
- Because it was affordable.
- Because it was close to home, my friends are here, and it was cheap with a good education and the teachers were great.
- Because it's cheaper than most colleges near my home
- Because it's family tradition
- Because so I can commute back and forth to Ponca and it was a good start for me to go to college that's why I choose noc
- Cheap and small class size
- Cheap college
- Cheap, and only place I had to go play baseball at.
- Close to home

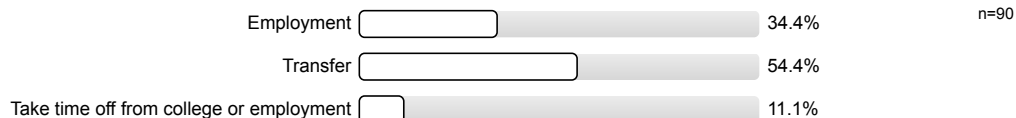

- Close to home (3 Counts)
- Close to home & affordable!
- Close to home and a perfect community

- Close to home and affordable.
- Close to home, affordable
- Close to home, affordable, and nice campus
- Close to home, affordable, smaller classrooms and more personable
- Close to home, affordable. Nursing program
- Close to home. Great programs.
- Close to home. Ponca City
- Closer to home
- Closest to home and only college in area
- DMI and Affordability
- Great scholarship opportunities. Nursing program
- I choose NOC because it was an affordable option and close to home. I do not see a reason to go to a university for my basics that are the exact same at NOC and much cheaper.
- I chose NOC because I wanted to be apart of the Roustabouts and the musical theatre department offered me great scholarships.
- I chose NOC because of how accessible and close it was to home. It provided an easy way to transition to college while still offering me the English degree that I wanted. (Specifically in literature)
- I chose NOC due to their family-type atmosphere and smaller class sizes.
- I chose NOC, because of the very helpful staff, and team of professors, who work to their full potential in making your learning experience the best and most memorable. NOC has helped me in expanding my comfort zone, and really had an impacted on my life and education.
- I chose this school for cheerleading.
- I didn't make it into OSU so I needed to juco in
- I loved the people the first time I visited campus
- I wanted an opportunity to connect with my instructors and receive an affordable education.
- I wanted to go outside of my comfort zone, and with being 3 1/2 hours away, I most definitely got out of my comfort zone! I have been given so many amazing opportunities and had an amazing time here at NOC and am excited to see what GOD has planned for me and to see what the future holds!
- It gave me a starting point
- It had DMI.
- It is the cheapest school in the state, it is close to home so I am able to live off campus, and I heard a lot of great things about it that the school has lived up to.
- It was a good option for me. I believed it helped with my situation.
- It was a great place to get my RN degree.
- It was a great start in my journey into college education.
- It was a low cost two year degree college that offered room for growth in all aspects of my life.
- It was a small college, allowing for a more one-on-one experience with the teachers, preparing students and giving them a push to succeed.
- It was affordable and close to home

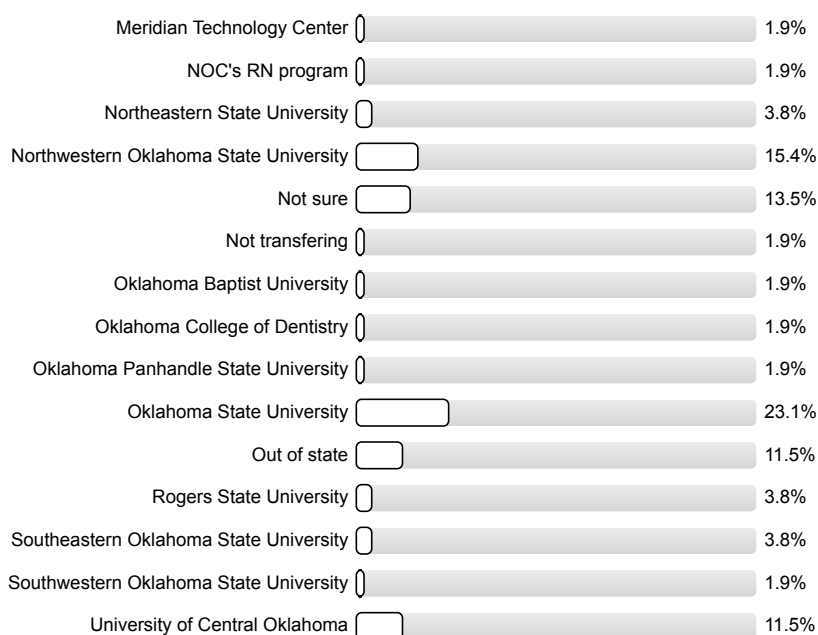

- It was affordable, small, and because it's a good college
- It was close to home
- It was close to home.
- It was close, affordable and a good starting college
- It was closer to home and much more affordable. I also felt it would be a better education with smaller class sizes.
- It was in my home town
- It was local.
- It was recommended to me by friends and family that have attended NOC for all of the good reasons mentioned in the mission statement.
- It was right down the street and it had the RN program. I felt like it was a good fit
- It was the most affordable options for me.
- It's closer to home
- It's in my hometown
- Location
- Main reason is that NOC is the only college that offers my degree. It is also a cost efficient school and close to home.
- NOC is close to home and cheaper when compared to other institutions.
- Near home.
- PTEC program
- Price of college
- Proximity to home and atmosphere
- So I could stay close to home
- The Digital Media Animation and Design program was recommended to me and I was told it was the best in the state. I do agree that it was the best in the state.
- Wanted to start at a small school and noc works with osu.
- close to home
- convenience
- flunked out of OSU and NOC accepted me and allowed me to bring my grades up
- to be closer to my friends and family. also, it was highly recommended by family friends as well.
