## Residence Hall Policies

In following Regents' policy, Northern Oklahoma College believes that the experience of living in college housing is important to a student's education. Therefore, just as there are required courses, all students are required to live in college housing to the extent that facilities are available with the following exceptions:

- 1) Those students living with parents or other relatives in Tonkawa.
- 2) Those students commuting from their parents' or other relative's residence outside Tonkawa.
- 3) Students who are 21 years of age or older.
- 4) Married students.

Any student who feels exceptions would apply to his/her circumstance and who wishes to be released from the requirements to live on campus must contact the Vice President for Student Affairs prior to moving off campus.

- A \$75 room deposit must accompany each application. The room deposit is nonrefundable. If a situation develops after the start of school which may be cause for cancellation, please notify the Office of Student Affairs. This application is invalid without the \$75.
- This contract does not include payment for room or food service during official college vacations (such as Thanksgiving, Christmas and Spring Break) during which halls will be closed.
- The college may reassign or adjust occupancy of rooms in order that the rate of occupancy may be maximized.

Any student residing in college housing is required to take a meal plan. No refund is made for meals not eaten. Meal tickets are non-transferrable. Students are to abide by the rules and regulations of the dining hall. *\*Prices listed below are subject to change.*
